**Another great kit**  
By James on June 25, 2015  
**Verified Purchase**  
I really like these Tamiya motorized kits and have built/collected most of them.  
  
They're simple to put together, less than half an hour, and can be used to motorize small projects. They might even be educational for kids. I don't know what the recommended age is, but I was a nerdy kid and would have loved something like this, even at a very young age (I took my mom's
